**NOTIFICATION UNDER 37 C.F.R. 1.27**

It has been learned that small entity status was erroneously claimed when entering the national stage of PCT/EP00/11717 due to a change in facts after filing the International application but prior to entering the national stage in the U.S. Thus, a check for the difference (\$460) between the fee paid (\$430) and the present fee for large entity (\$890) is enclosed.
